"Thank you for the seamless service From the beginning to the end of travels. I felt so humbled by the level of professionalism, thoughtfulness, kindness and understanding given by Laivin. The car was clean and we had no trouble with the police on the road. He was checking in on us to see if we were ok but never intrusive. I highly recommend this company."

-Laiza Mushinyi

"Great experience with TravelSavvy renting a car from Bulawayo for two nights in Matopos. The car was in good shape an clean. It ws dropped and picked up from locations convienent for me. And generally the service was very cordial, professional and helpful. My only advice would be to adopt a full to full fuel policy. Recommended!"
